Inventory Closeout Sale, Carrier Tapes

This is old stock with date codes as far back as 1998. Unless noted, all carrier is conductive. All come on standard 22" reels and are full. 1 reel of each part number has 1 meter removed for photo and recertification purposes.

These were manufactured for specific odd form or custom devices. We would be happy to send a sample to ensure it will serve your purposes. Inventory Closeout Sale ends 10/15/2011.

Please call (951)549-9580 or email us for pricing.
